JRC board visit to InVesta

A milestone for the Flagship Valley

On 19 March, New Energy Coalition welcomed the board members of the Joint Research Centre of the European Commission for a site visit to the REFORMERS Flagship Valley in Alkmaar.

NEStore Heat Battery Chosen for Plan Oost

For the Van Dijk family, the NEStore offered a way to reduce their dependency on gas, by using their own solar power and using it to produce and store for hot tap water to use during evening and early morning hours.
